MULTIPLIER EVENT IN CYPRUS

In June and in July we had the pleasure to share the results of the project (AID Handbook, AID web-app and AID Film) with local stakeholders, seniors, migrants and asylum seekers to spread the word about the outcomes of the project and facilitate both the integration of third country nationals, as well as the active engagement of the seniors.

OVERVIEW

MULTIPLIER EVENTS

Multiplier Events took place in May and June in all project countries to diffuse the outcomes of the project and inform locals on the ground about the work of AID during the past 2 years.
